For the first time in the history of the organization the District Convention of the Christian church will be held in Hazel Green, the date being Saturday and Sunday, March 28th and 29th. The time is so very limited that our housewives will hardly have time to prepare for the entertainment of the guests who will be within our gates, but every one who has the room should display the native hospitality for which we are proverbial and welcome them so heartily that mine host will always be kindly remembered by the stranger sojourning among us. Follow the injunction, "Beware how you entertain strangers, lest you entertain angels unaware," and all will go well. To be honored with the convention is a matter to be proud of on our part and all citizens should vie with each other to so entertain the strangers that they, too, may be proud of having been here and ever after sing our psalms of praise abroad in the land. The program follows:

THE Lexington Herald of Tuesday, reciting the wanton destruction of property and the murder in cold blood of the poor and inoffensive old man Hiram Hedges, of Nicholas county, suggests that the people can wipe out the wantonness by forming a law and order league. Ordinarily such a remedy would be amply adequate. But if all but 20 per cent of the people are in sympathy with night riders, where can law and order find recruits? A better way, in our humble judgment would be for the governor to offer a reward sufficient to bring some guilty ones to trial and conviction. Then a few healthy hangings would sure bring peace.

Will Have It Reproduced.

Ashland, Ill., March 16.
Spencer Cooper, Hazel Green, Ky.
Dear Sir: We deplore crime and lawlessness everywhere, but it is a pleasure to read your editorial in THE HERALD of March 12, on the mountain feuds and tobacco night riders. Many times we, as former Kentuckians, are forced to bear many unkind criticisms because of the reading that some unscrupulous papers send out—of course sensational but readable, as it comes from the mountains of Kentucky. Because of the numbers of times that I am called upon to discuss the situation in Kentucky, I have a notion of having your editorial reprinted in our local paper.

Mrs. French sends regards to yourself and Mrs. Cooper.

Sincerely yours,
C. E. FRENCH.

To His New Home.

Mt. Sterling, Ky., Mar. 15.
Dear Mr. Cooper:

You will please change the dear old HERALD from Stepstone to Mt. Sterling, Route 3. I have just moved to my new home and am well pleased with it. I have had a pretty hard siege, but proud to tell my personal friends that I am having very good success, financially and otherwise. I am blest with having the best woman on earth (as I see) and two bright, healthy children, which I prize highly. I have no desire to go back to the red brush to live, but I would like very much to shake hands with you and Mrs. Cooper and other warm personal friends I claim in that section of the country. Elizabeth says to give Mrs. Cooper her best wishes. My farm joins J. W. Cecil's, so you see we have home folks near us.

Thanking you for past kindness and wishing THE HERALD success, I remain faithfully,
W. W. QUICKSALL.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root and the address, Binghamton, N. Y., on every bottle.

\$25 in Free Presents.

The Wolfe County Democratic Primary Election to select candidates for the various county offices will be held in the summer some time, and THE HERALD avails of the occasion to increase its subscription list and at the same time give its subscribers \$25.00 in useful articles, such as watches and chains, razors, combination handy tool holder, &c.

This is in no sense a lottery but an educational problem, in which each new subscriber, and each old one who pays up and renews, will have the opportunity to exercise his brain in estimating the vote to be polled at the coming Democratic Primary Election.

The price of THE HERALD is \$1.00 a year, in advance, and every subscriber is entitled to one estimate. Old subscribers who pay up arrearages and one year in advance are also entitled to one estimate. The one who sends in the closest estimate will receive a gold plated watch and chain; next nearest gold plated watch and aluminum fob, next a fine razor, &c. Use the estimate coupon attached. Write your name plainly and make figures of estimate very distinct. Then enclose \$1.00 with the coupon and mail to this office. These coupons will be filed and the day after the election a disinterested committee will take charge of them and determine who is entitled to the presents.

The Presents That Will Be Awarded.

The person making the nearest estimate will receive a gold-plated American watch, good time piece, and plated chain. The person making the second closest estimate will receive American watch, good time piece, and aluminum fob.... The person making the third closest estimate will receive an American made razor, as good as any ever produced.... The person making the fourth nearest estimate of the vote at the primary will receive the same kind of razor.... The person making the fifth nearest estimate of the total vote at the primary gets a razor of the same kind.... The person making the sixth nearest estimate to the total vote cast will receive a combination pocket tool case....

As soon as the Circuit Clerk furnishes us the figures we will give vote in two elections as a basis to estimate by.

Cut out this coupon carefully after filling and with \$1.00 mail it to us at once.

Send your estimate and your dollar to this office, and we will take care of both. Sincerely yours,

Are You Sick?

Much sickness is due to a weak nervous system. Yours may be. If it is, you cannot get well until you restore nerve strength. Your nervous system is nature's power house; the organs of your body get their power from it. If the power is not there, the action of the organs is weak, and disease (sickness) follows. Dr. Miles' Nervine cures the sick because it soothes the irritated and tired nerves and gives the system a chance to recuperate. Try it, and see if you do not quickly feel its beneficial effect.

"I was given up to die by a leading doctor. Got one of Dr. Miles' Nervine and found that Dr. Miles' Nervine fit my case. From the very first dose I took I got better. I am better now than I have been for years, and do all my own work on the farm. That's what Dr. Miles' Nervine has done for me, and I am glad to recommend it to others."

Recipe Easily Prepared at Small Cost, and Many Swear By It.

Mix the following by shaking well in a bottle, and take in teaspoonful doses after meals and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A local druggist is the authority that these simple, harmless ingredients can be obtained at nominal cost from our home druggist.

The mixture is said to cleanse and strengthen the clogged and inactive kidneys, overcoming backache, bladder weakness and urinary trouble of all kinds, if taken before the stage of Bright's disease.

Those who have tried this say it positively overcomes pain in the back, clears the urine of sediment and regulates urination, especially at night, curing even the worst forms of bladder weakness.

Every man or woman here who feels that the kidneys are not strong or acting in a healthy manner should mix this prescription at home and give it a trial, as it is said to do wonders for many persons.

The Scranton (Pa.) Times was first to print this remarkable prescription, in October, of 1906, since when all the leading newspapers of New York, Boston, Philadelphia, Pittsburg and other cities have made many announcements of it to their readers.

Any of our readers who need a 1908 calendar can secure a nice one, size 6x9 inches, by sending a 1 cent stamp to D. Swift & Co., patent lawyers, Washington, D. C.

Irregularity is bad in every department of life, in meals, in sleeping hours, but especially when it is a question of womanly habit. Not only is it a sign of female disease, but, unless cured, it will cause dangerous troubles, because of the poisons thus allowed to remain in the system.

If you suffer in this way, get a bottle of

Wine of Cardui

Mrs. Lucinda Johnson, of Fish Creek, Wis., writes: "I suffered for fourteen (14) years with irregularity, causing great pain. At last I tried Cardui, and now I am cured." At all druggists, in \$1 bottles.
